DETAILED ACTION

Conclusion

1. This application is in condition for allowance except for the following formal matters:

The foreign priority data indicates that foreign priority date for JP application 10-336926 was filed on 11/27/1997 when in reality the foreign priority date should be 11/27/1998. Thus, this application requires a new oath/declaration which would reflect the true foreign priority date of the Japanese foreign application.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
